

## ICSI HOUSING QUESTIONNAIRE

Please complete this questionnaire if you would like us to assist you in making housing arrangements for the time you are at ICSI. If you are planning to locate your own housing, please respond by e-mail that you have your own accommodations. Please note that housing in the Bay Area is among the most expensive in the country and that often housing can be difficult to find. Be aware that most landlords will require that you sign a lease, a contract obligating you to pay rent for a certain period of time. Finally, note that many landlords will require a security deposit equal to one month's rent upon signing the lease. You should anticipate paying this security deposit and the first and last months' rent in order to secure the rental.
